—升大學不用公開試—OSSD—

高中學生這兩年經歷了停課、網課，學界又承受着取消試題、更改課程等翻天覆地的改變……但今年的DSE開考了，祝考生順利。

就預備升讀大學的課程和公開試而言，本地學生和家長較熟悉DSE、A Level、IBDP，學生就個人需要而選擇不同課程的學校，當中考慮多半包括學生往後是否升讀本地大學或海外大學；心儀哪個國家的教育；當然課程本身著重哪些學習成效，將直接影響學生的能力和思考取向，這是家長為子女選擇課程的重要因素。

舉例，近年愈來愈多家長認為IBDP課程較能有效訓練學生的思考國際認受性更廣，因而選IBDP而放棄DSE；造多學校開辦課程及協助學生考IB公開試。而A-Level對心儀英國大

學的朋友來說，一定不會陌生。

原來除了上述課程和考試以外，加拿大安大略省高中文憑(Ontario Secondary School Diploma OSSD)同樣可以銜接學生到各國大學。其課程特色是毋須公開試，課程為學分制，修畢學分即可發獲證書。評核成績七成來自平日上課表現（包括出席率、功課等），三成來自校內測驗考試。倘學生目標清晰，要升讀加拿大的大學，OSSD可以是考慮之列；就算心中大學目的地是其他國際學府，各地的著名大學亦列出以OSSD入學的最低成績要求，如劍橋大學（九十分）；牛津大學（八十五分）；澳洲國立大學（七十七至九十六分）；香港各大學（七十至九十分）等。

事實上，由於沒公開試壓力，個別DSE或IBDP同學甚至會同期修讀OSSD，作為升學安全網。關於這個課程，容後再談。

10 Top High Schools in Canada for International Students

Below, you will find a comprehensive list of the top high schools in Canada for international students open to accept admission applications from foreign students who want to have their high school studies in Canada.

Maybe you don't know this, it easier to move to Canada for primary or secondary school/high school studies than it is to move at the university level. One reason is that all primary and secondary schools in Canada are Designated Learning Institutes while not all universities are designated and to be able to obtain a student visa to move to Canada, you must have gotten admission into a designated institute in Canada.

These top high schools in Canada are gaining popularity among international students as many students from different countries of the world today are interested in moving over to Canada for academic purposes as Canada has been recorded to be one of the most friendly countries for foreign students.

5 Of Canada's Best Private High Schools

From New Brunswick to British Columbia, here are some of Canada's most innovative secondary institutions.

Private high schools are a great option for many students. They meet the [same regulatory requirements](#) as public schools, but offer additional services and resources to students. Many private schools have state-of-the-art facilities, individualized teaching approaches, diverse academic programming, near-perfect post-secondary education placement rates, and stellar satisfaction rates from both students and their parents.

Multiple campuses across Ontario & internationally

[Blyth Academy's](#) doors first opened in Ontario in 2002, making it one of Canada's newer private schooling options. However, in their short history, Blyth Academy has already grown to [14 campuses across Ontario](#), a handful more around the world (USA, Qatar, Italy), and [an impressive online-study hub](#). Their model appeals to the modern learner, as it affords students an unparalleled opportunity to customize their schooling for what fits their needs best: flexibility, global opportunities, and best-in-class teaching.

Besides their small average classroom size ([seven students](#)) — which allows learners to really break out of their shells — Blyth Academy offers students the option to [study anything](#) from regular Ontario high school curriculum to Advanced Placement-level courses full-time, part-time, online, or during the summer. This has been especially helpful to students with elite athletic or entrepreneurial inclinations. For students seeking post-secondary studies, [98 per cent of its students](#) land acceptances to their first-choice post-secondary institutions (including Cambridge, Harvard, Yale, and MIT). This statistic is unheard of at the global level, let alone in Canada.

Essay Title:	Why online tutoring? An in-depth analysis of learning in the covid age		
Date Reviewed:	Jan. 14, 2021	Word Count:	652

Content & Development
Essay has a thoughtful, attractive title that intrigues the reader. Thesis statement is strong; it is clearly supported by the essay's arguments and evidence to meaningfully address the prompt. The writing showcases the student's knowledge of their topic. The arguments go in-depth, develop and support the essay's ideas, and are convincing.
Organization & Layout
Writing is clear and includes an introduction (with arguments and thesis statement introduced), one body paragraph with supporting evidence for each argument, and a conclusion that restates the thesis and arguments. The writing has a logical progression of arguments that reinforce and defend the thesis.
Research, Understanding & Effectiveness
Writing is focused and consults a variety of legitimate online and paper resources. Student effectively uses sources (through paraphrasing and quotations) to support their thesis and arguments. Sources are appropriately and consistently cited.
Style
Writing style is smooth and consistent throughout the essay and the tone is expressive and appropriately academically-focused. Sentences are well-built with good variety in structure and uses engaging language. Indicates a masterful command of form.
Mechanics
Written work has few to no errors and demonstrates a strong vocabulary. Overall, excellent spelling, punctuation, capitalization, and sentence structure. Please review your work for a few minor corrections.
Overall Suggestions
This is a very well-written essay that provides both convincing arguments and informative and engaging content. In future essays I would recommend that you cite more academic and literary sources, but in light of the topic I can understand why those were not available. I am convinced that online learning is now the way forward and I'm happy to hear that it has been working out so well for you! Excellent work on your essay!
